Scott Duenser of WIPFLI Accounting Firm presented the FY2021 Audit and discussed each section. He provided a short history of the background of the Township and how it is audited on a modified cash basis. After discussion ended, Mr Duenser was thanked by the board in general for his hard work and for the excellent information provided in order for the Board to better understand the nuances of the audit.
- 8 Discussion of new digital newsletter, Supv Hewitt commended HC Young on the highway newsletter and hopes to join together in the future when and where possible. All discussed issues with the overlaps of incorporated and unincorporated areas of the Township and the possibilities of confusion when the newsletter could be misunderstood. (Tr Rose) pointed out the newsletter needs to be introductory in order for residents, new and old are more able to understand who the Township is and what it offers to all residents. (Tr Geist) pointed out more pictures on things about the Township. Counseling information (Tr McGovern) suggested the Yellow Brick Road information should be more prominent. (Tr Page) reiterated it needs to be a tool of what is happening and what is available.
