Review of Bids and Award of Contract(s)

Supervisor Tarulis reintroduced Shawn Ehlke to the board. He then asked Mr. Ehlke to go through the bids the township received for both the front entrance and food pantry improvements.

Mr. Ehlke then went through the different bids and as well as a spreadsheet he prepared to illustrate the differences in the bids and timelines that the various bidders proposed.

The board and supervisor asked questions concerning timelines and pricing. The general consensus of the board was that the bids were higher than was expected. Many particulars of the project were reviewed in detail by the board. These included materials, how the building would remain functional for the residents during construction, as well as many other items regarding the project.

The board then discussed alternative ideas and potential solutions which they opined may be less expensive and still resolve the challenges that the building presents in its current configuration. After the long discussion Supervisor Tarulis asked if any member of the board wanted to make a motion to approve a bidder.

Trustee Connell made a motion for board to accept the lowest bid which was from FBG for \$569,500 for both the food pantry improvements and front entrance chairlift project, including alternates. Trustee Tams seconded the motion.
