**Public Comments:**

Chuck Clarke asked about the costs of the highway department's group health insurance.

Highway Commissioner Young said that yes the costs are going up this year following last year's decrease. He further noted that the road district uses a different plan than the supervisor's office and that last year it was cheaper, but with the current increase it would be back at approximately the same level as the supervisor's office plan. Mr. Young noted that as a result of the large increase that they are shopping other plans, including the plan used by the supervisor's office, but those costs were higher for his crew.

There being no further public comment, the supervisor asked for a motion to adjourn the budget hearing for the Road District.

**Adjournment:**

Motion to adjourn was made by Trustee Tams; it was seconded by Trustee Chatman. Voice vote, all present in favor, motion passed. The meeting adjourned at 7:19 p.m.
