4. Appointment of Community Career Center Representative: Former Trustee Terry Cherep advised the Board that he was still the Township Board representative on the Community Career Center Board of Directors, and he felt the representative should be a current Board member. Supervisor Clarke stated that Mr. Cherep has done a great job, and the Township was grateful to him for his service. There was discussion of a replacement appointment, but the consensus was that Mr. Cherep should continue to serve on the CCC Board until after the next election. Mr. Cherep agreed. He also noted that Joy Dooley was recently recognized at the CCC winter fundraiser breakfast by receiving the Barb Dwyer Award for community service.

5. Report of Township Supervisor: Supervisor Clarke gave a tour of the new building. The staff moved into their new offices last week, and are getting settled. The building looks great.

Supervisor Clarke presented an engraved glass plaque to former Trustee Terry Cherep for his years of service to the Township, and thanked Mr. Cherep again for his leadership and service.

6. Reports of Township Officers: Highway Commissioner Dow discussed the material he sent to all officials regarding the possible improvement of Janes Avenue by the Village of Downers Grove. The new road would allow cut-through traffic in the neighborhood, which is already over capacity and without sidewalks. The residents in the area are uniformly opposed to opening the road. Mr. Dow has requested a meeting with the Mayor to discuss the Township's concerns. Supervisor Clarke said the residents would be welcome to attend a Township Board meeting to express their concerns, and the Township would support the residents if possible.

Highway Commissioner Dow presented his tax levy. The Town Board is required under the statutes to levy the amount the Highway Commissioner determines is necessary. Motion by Trustee Potterton to approve the Road District Tax Levy Ordinance as presented. Second by Trustee Smith.
