Highway Commissioner Dow summarized his duties and performance. Lisle Township Road District has the third highest number of miles of roads of all the townships in the County. We service approximately 3,700 homes, and communicate with residents 2 – 3 times each year. Mr. Dow handed out the current newsletter, which went out this month. He has added equipment, including a Grade-all and Con Vac for the storm sewers. We have reconstructed and widened roads. The Road District plows snow at all hours in the winter, and mows grass along the right-of-ways under Intergovernmental Agreements with the County and Villages. There is a new disaster plan for the Road District.

Motion by Trustee Potterton to set the Highway Commissioners salary as follows: Term beginning in May, 2005 - \$72,000; 2006 - \$75,000; 2007 - \$79,000; and 2008 - \$83,000. Second by Trustee Smith.

Trustee Potterton noted that the Assessor receives a car allowance of \$400 per month, plus health, life and dental insurance valued at approximately \$15,000 per year. Assessor Trowbridge noted that Lisle Township has the third highest number of parcels and assessed value of all the townships in the County, and requested that he receive a salary in the mid-range of other township assessors. Motion by Trustee Potterton to set the Assessor's salary as follows:

Term beginning January 1, 2006 - \$80,000; 2007 - \$84,000; 2008 - \$88,000; and 2009 - \$93,000, plus the same car allowance. Second by Trustee Modica.

Absent: None (Motion Passed.)

Finally, Trustee Potterton discussed the number of hours that Trustees must work each month, their duties and responsibilities. Lisle Township is in the low end of the range of salaries in other townships in the County. Motion by Trustee Modica to set the Trustee salaries at \$4,900 per year, fixed for all four years of the next term. Second by Trustee Potterton.
