6. Report of Township Supervisor: Landscaping work is being completed around the building. Highway Commissioner Dow should be thanked for the excellent job sealcoating and striping the parking lot. 7. Reports of Township Officers: Assessor Trowbridge – None.

Highway Commissioner Dow described a letter from himself and Naperville Township Assessor Warren Dixon to all township officials in DuPage County regarding a countywide association of township officials. Many years ago this organization was active, but has not met in approximately six years. Mr. Dow said there are various issues that townships can cooperate on, and that we should know each other. He is pleased to see this group schedule a meeting for next week at York Township. Mr. Dow also reported that the employees of Downers Grove Township Road District have approved a union, but no other information is known at this time.

8. Other Business: Mr. Terry Cherep thanked the Board for sponsoring the annual fundraiser for the Community Career Center on August 17, at Meson Sabika.
