2. Public Comments: Supervisor Clarke noted that those present were here for a discussion of the new waste hauling fees being imposed by Allied Waste, and gave a summary of new information about the program. There will be a \$1.25 senior citizen discount, the program will not change until May 1, and Allied Waste will be at the annual town meeting to describe and discuss the program. Mr. Clarke noted that the sticker program is being eliminated in the Village of Lisle also, and that two years ago when the Township wanted to go out to bid on waste services the residents objected and the program was left as is.

Tom Zakosek said the unincorporated residents were looking to the Township for leadership on this issue. The Township is the local government for Steeple Run, and must be

responsible. He mentioned that the statutes allow the Township to contract for waste service and to form a special taxing district. Supervisor Clarke noted that the Township would have to serve all of the unincorporated areas in the Township equally. Mr. Zakosek noted that the current cost is \$2.10 per container now, and most residents pay about \$8 per month for garbage pickup. Recycling pickup is free. The new fee for garbage will be about \$23.00 per month, for a 300% increase. In addition, the residents are getting different answers to their questions from Allied Waste each time they call. The additional fuel charge and administrative fees are also not clear.

There was substantial discussion among the Township officials and residents. Gene Parker made suggestions for possible savings, such as less often than weekly pickup. Supervisor Clarke said he would not be in favor of any option that would require the Township to hire additional staff or to bill and collect garbage fees.

It was agreed that the Presidents of the Homeowner's Associations in the unincorporated areas, and Supervisor Clarke and Clerk Tarulis, would have a meeting along with Allied Waste representatives, in order to clarify their proposed changes and negotiate a possible savings. Mr. Clarke will coordinate setting up the meeting.

The Board and residents thanked each other, and the residents left the meeting.
