Motion by Trustee Klaeren to approve the minutes of the August 11, 2010 regular Town Board meeting. Second by Trustee Voras, with a correction that the health insurance motion should include that only the PPO option will have increased employee contributions. Voice vote, all in favor, motion passed.

4. Discussion of Guidelines for Compensation: Supervisor Clarke handed out copies of two letters, from township attorneys Len Monson and Heidi Katz, regarding the authority of the Board to adopt the resolution proposed by Trustee Voras. Since the letters were several pages each, Trustee Modica made a motion to table the discussion to next month, after everyone had read the letters. Second by Trustee Voras. Voice vote, all in favor, motion passed.

5. Report of Township Supervisor: The food pantry has been overheating during the recent hot days, and one of the freezers broke down and required about \$500 in service calls. Jim Vondran reported that the temperature in the room is a minimum of 93 degrees, and up to 100 degrees, in the morning, because the room is not vented in any way and the freezers generate substantial heat. He recommended purchase and installation of an air handler for fresh air in the room. Trustee Modica questioned if a small air conditioner would work. Supervisor Clarke said he will look into options and obtain quotes for next meeting.

Trustee Tams arrived at 7:50. He was delayed in traffic.

6. Reports of Township Officers: Assessor Trowbridge had no report.

Highway Commissioner Dow reported that all the road projects are completed for this year ahead of schedule. They are installing gates at the parking lot entrances, and finishing painting work on the Yender building. Mr. John Quinn reported that the garage flooring contractor had to be replaced. The original contractor didn't get the job done after 6 weeks. The second low bidder got the job done in 2 days. The Board is invited to inspect the floor at your convenience. Mr. Dow discussed an advisory referendum by the Village of Downers Grove on the November ballot, to review services and consolidate townships with other units of local government. He is opposed to any such action, and doesn't know why the Village would sponsor such a referendum.

7. Other Business: None.
