## CHANGE ORDER #3

Feed the new Type A fixture located in the soffit outside the new overhead door of the food pantry from the same circuit feeding the existing soffit lights instead of from the new circuit shown on plans.

**TOTAL \$650.00**

Price does not include permit, plan review, or inspection fees.

All material is guaranteed to be as specified, and the above work to be performed in accordance with the drawing and specifications submitted for the above work and completed in a workman like manner for the sum of: \$650.00

With payments as follows: Payments to be based on percentage of work completed.

Any extra's requested above proposal, will be billed in full and due on the rough payment in full.

Should the job not progress in a timely manner, then you will be billed for the materials that are stored for your job. The proposal price is subject to change if there are fluctuations of 10% or more in the cost of materials or labor.

Any alteration or deviation from the above specifications involving extra cost will be executed for an extra charge over and above the proposal price at a rate of plus \$120.00 per man hour plus materials with a 15% markup. Owner is to carry fire, tornado, and other necessary insurance upon above work.

Workman's compensation and public liability insurance to be taken out by Custom Electrical Service, Inc.

All payments are due on receipt of invoices.

Any payments made after completion as specified will be subject to service charges of 1 ½ percent per month or the maximum permitted by law until total paid in full and legal fees. This proposal price is good for 90 days from the date of the proposal.

## ACCEPTANCE OF PROPOSAL

The above prices, specifications, and conditions are satisfactory and are hereby accepted. You are authorized to do the work specified. All payments will be made as outlined above.
