This Agency is authorized to require this information under Section 4 and Title X of the Environmental Protection Act (415 ILCS 5/4, 5/39). Failure to disclose this information may result in: a civil penalty of not to exceed \$50,000 for the violation and an additional civil penalty of not to exceed \$10,000 for each day during which the violation continues (415 ILCS 5/42) and may also prevent this form from being processed and could result in your application being denied. This form has been approved by the Forms Management Center.

Lisle Township Road District
ILR40 #ILR 400079
Reporting Period March 2018 – March 2019

A-1. Throughout the reporting period, staff attended and participated in area meetings which discussed and educated ways of reducing and minimizing pollutants in stormwater run-off.

This year, 2018, Lisle Township was awarded the “**Low Salt Award**” by The Conservation Foundation. We received it for markedly increasing our winter salt use efficiency and innovative use of our budget to meet both public safety and environmental goals.

Our office continues to be a member of the DuPage River Salt Creek Workgroup, an organization that helps determine stresses to the aquatic systems and addresses water quality issues. They develop and implement quality monitoring programs and viable remediation projects.

This April, the Road District will mail our annual Spring/Summer newsletter to approximately 3300 residents. A portion of the newsletter is dedicated to “Sustainable Options” and promotes the DuPage River Sweep event being held May 19th. This annual event promotes the removal of trash and debris from our local waterways.

A-2. N/A

A-3. N/A

A-4. N/A

A-5. N/A

- A-6. Lisle Township Road District owns a street cleaning machine and properly disposes material collected.

- B. Lisle Township Road District believes it is in full compliance with the requirements for its permit. From an operational standpoint, the Road District believes it has reduces its discharge to the MEP and continues to focus efforts on public education and outreach.

- C. N/A

- D. We have implemented and continue to work on and improve our GIS system. It is helping to replace hand drawn maps of our road assets in the right-of-ways such as storm sewers, man-holes, storm drains, road signs, parkway trees etc.

- E. Lisle Township Road District partners with DuPage County in fulfilling ILR 40 permit obligations as both entities are responsible for compliance for the unincorporated areas. Lisle Township Road District's responsibilities are limited to the roads and right- of-ways of unincorporated roads owned by the road district. Also, see DuPage County BMP attached to the county reports.
